Dr. Henry A. Kissinger
The White House
Washington, D.C.

Dear Dr. Kissinger,

It was very kind of you to mention to Nancy that you may find time to put in a word for me concerning my admission to the John F. Kennedy School at Harvard. As you suggested, I am sending along a copy of my application. It's sketchy, but it provides some incidental background information.

Again, I would like to thank you for the great reception and special tour you gave us at The White House last November. It was very thoughtful of you to include us in your busy day, and it was definitely the high point of our trip.

Sincerely,
